Chloe Laslier by Jeff Tse for *Marie Claire* Czech May 2011

posted by Joanna on May 3, 2011 and filed under categories: 2011, Editorial

ZAMILOVANÁ RŮŽE

„Jsi krásná a vždy tě budu milovat,“ šeptají něžné lístky
bílých a růžových růží. Vykráče k oltáři v barvách
královny květin stejně jako modelky z přehlídky Katran-
zo a máte vyhráno. Její tóny totiž lichotí každému věku
i odstínu pleti. Přestože můžete zůstat pouze u jemné-
ho nádechu, věle doporučujeme nebýt se a sáhnout
po živější barvě. Skvělost zkrášlí oční víčka, v kombinaci
s ejněnou perletí oživí rty a na tvářích vykouzlí dokonalý
růžence. Tip MC: Na líní kosti naneste menší množství
nejlépe krémové nebo gelové tvářenky a na tvářích tón
postupně ubírejte až do ztracena. Oblíbený tón
krásně vymodelujete.

HARPER'S BAZAAR ARABIA: HOUDA SHRETAH IN "LIVE LONGER" BY PHOTOGRAPHER JEFF TSE

Be the first of your friends to like this.

Top TIPS

- Move for 30 minutes each day, get up and get outside first thing before it gets too hot. Dance, walk, jog or do boxing exercises - anything that gets you moving.
- Eat lots of fish oils and burgers with cranberry sauce skipping all burgers who realize boxing with cardio burns fat faster.
- Take time to make a daily morning affirmation, repeating, "Today I will be the best I can be."
- Visualize breathing in a word, such as "strong", "calm" or "peace" while repeatedly saying it. Hear it in your head for you are yourself breathing it in so it becomes part of all of you. Repeat five times.
